Week 2 – Current State and Milestones

Alexander, Hauke, Jakob, Robert

March 5, 2026

Overview

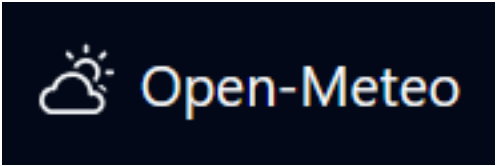
1. Milestones
   1.1 Great APIs
   1.2 Solved Questions

2. Issues
   2.1 Not so Great APIs
   2.2 Dropped Questions

3. ToDo

Milestones

Great APIs

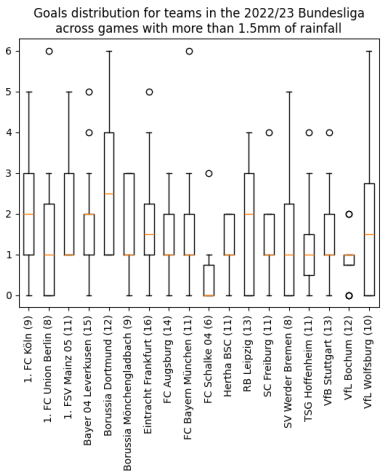


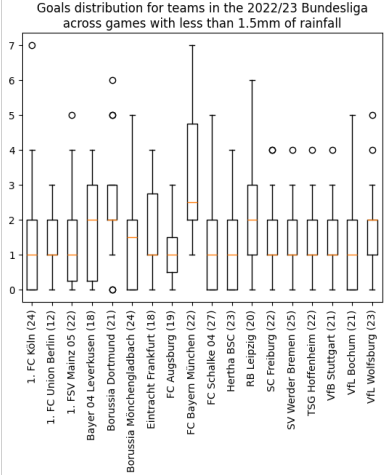
Solved Questions

Which teams scored the most goals while playing on home turf?

Solved Questions

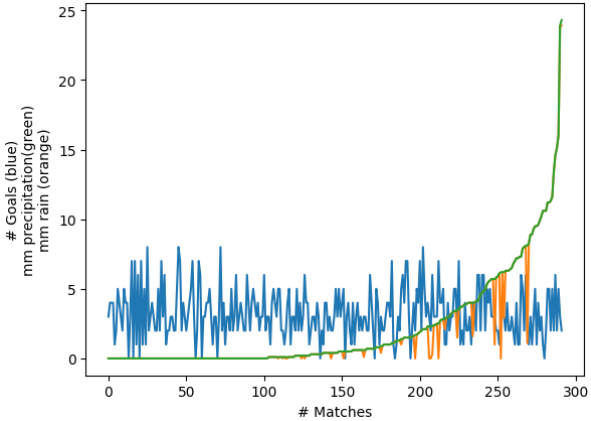
How does high rainfall during a match influence the winrate of certain German teams?





Solved Questions

How does high rainfall during a match influence the total number of goals scored?



Issues

Not so great APIs

// football-data.org

API SPORTS

Dropped questions

- How many goals are scored on average before a player is transferred to another team? $\rightarrow$ Substituted with the *RQ* "Which teams most frequently achieve comeback victories in the second half?"
- What is the correlation between the win rate of a coach's team and the coach's time at the team? What is the difference between teams?

ToDo

ToDo

- replace dropped questions
- solve remaining questions
- visualize results

The End
